Snow Maintenance

In accordance with Ordinance #81 'Snow Removal', it shall be the duty of every owner, tenant and/or occupant in charge of any premises fronting on any public street or alley to remove all snow and ice from sidewalks within 24 hours following the time of the deposit.

REMINDER: Shoveling snow into the roadway is prohibited! Fines shall be incurred by violators.

Finance

Deadlines Approaching!

Rental and Business Licenses shall be considered past due after January 31.

Kindly be advised that continuing to operate a business or rent a property without obtaining a license may result in a fine.

Senior Discount applications are due by June 30. Please call Town Hall to see if you qualify.

Delinquent tax letters were mailed out.

Business Licenses

All businesses operating within the town limits are required to submit a completed Town of Camden business license application, a current State of Delaware business license and a current Certificate of Liability Insurance, per Ordinance #2007-104 of the Town of Camden.

Rental License

In accordance with Camden Ordinance #2007-101, all rental properties operating within the town limits are required to submit a completed Town of Camden residential / commercial rental license application.

Building Permits

Residents of the Town of Camden must obtain a permit from the Town prior to any work being done on a home. This includes fences and/or sheds. A building permit ensures that work is done in compliance with the 2006 International Building Code. This also ensures that each phase of construction is inspected.

Applications for business licenses, rental licenses and building permits may be found on the Town website under forms.

Chief's Message

Winter is upon us, at least our calendars say it is, and we would like to offer a few tips for safe travel during inclement weather. Clean ice and snow off all of your windows before you travel. Many states have laws that prohibit operating a vehicle with an accumulation of ice or snow anywhere on the vehicle, since it can blow off and strike other vehicles. This is not the case in Delaware, but it is still a good idea to clean the entire vehicle of snow or ice.

Make sure your headlights, taillights, and license plates are clear and visible. Drive with your headlights on. Allow additional time for your trip and allow additional space when following other vehicles. Be cautious when crossing or entering a roadway, since it takes you longer to accelerate from a stop and longer for others to come to a stop.

If you live on a road marked Snow Emergency Route, make sure your vehicle is removed from the shoulder as directed by signs.

We are here to protect and serve our community and need your support to be successful. If anyone has any concerns with our department, or how we handled something, please let us know. If a problem exists, we cannot address it if we don't know about it. Please feel free to contact me or Capt. Melvin with any comments. Thank you for your continued support.
